Meeting called to order at 12:00pm CST

The committee reviewed the suggestions of skills from the Acro Community. Adjustments to the Bonus document format were divided up to be updated & ready for review on the following call.

The EC also discussed updating the Bonus Tariff Sheet by utilizing an identification system that will improve clarity for coaches and judges.

The committee discussed the International Development Team and the 'out-of-age' accommodations at club competitions. To preserve the integrity of the out-of-age allowance while still providing flexibility and support to pairs/groups that exceed the maximum age restrictions, the committee agreed to set a one-level cap on level accommodations.

Patricia Motioned for the following change to go into effect starting in the 2027 Spring season.

> Pair/group(s) named to their respective levels on the IDT will only be approved to compete up to 1 age group level higher (to accommodate out of age), and this will remain subject to Selection Committee approval.
