I. Athlete Reps for Committees

The USOPC Athlete Working Group expanded the competitions that can count toward eligibility for the 10 Year and 10+ Year Athlete Rep definitions to include the elite national championships for each discipline. (For the purposes of 10+ Year eligibility, participation in the elite national championship is retroactive to 2001.)

Over 50 athlete rep positions need to be filled.

Call for nominations has posted - Deadline to nominate December 1

II. Athlete Council Charter Clarification

The AC discussed Section 1.0 of the AC Charter. It was decided that in appointing athlete reps to selection committees they will try to seat members of the AC on those committees and ensure there is a selection rep and a support rep for each discipline.

III. Athlete Rep Election/Appointment Process

The AC discussed how they will appoint athlete reps to committees following the close of the call for nominations. It was suggested:

- Multiple candidates for one position should:
 - Send a resume or CV
 - Letter of interest (optional)
 - Communicate with committee about expectations (top 2 candidates)
 - Send a short video answering questions given or answer questions through email (two athlete reps from the discipline review it)
- One candidate for a position should:
 - Send resume or CV
 - Letter of interest (optional)
 - Communicate with committee about expectations

Meeting adjourned at 9:33 pm ET.
