- World Championships and World Age Group Games Head Coach Selection

It is important to the preparation of all athletes on the World Championships and World Age Group Games Delegations to have a Head Coach who exhibits proven team leadership ability, international experience, demonstrated rapport with personal coaches and athletes, and technical knowledge. In order to best function to meet the needs of all athletes on the delegation, it is also important for the Head Coach to be free of responsibilities to personal athletes on the delegation.

The Program Committee discussed possible candidates for the World Championships and World Age Group Games Head Coach assignment, including the review of input submitted by the 2003-04 National Team Members and the National Elite Committee. The following recommendation was made:

The Program Committee recommends that Ivaylo Katsov be invited as Head Coach of the World Championships and World Age Group Games Delegations, as he best exhibits all of the criteria listed above.
