

USA GYMNASTICS.

GROWTH AND DEVELOPMENT COMMITTEE MEETING MINUTES 9-11-18

Role Call:

Dylan Maurer
Marcia Deguire
Karys Blake
Alisha Trifiro
LeeAnn Lenhart

Congress:

Marcia is contacting any and/all past presenters in attempt to have an archive of all Lectures that have been presented in the past. Although, the congress lectures will not take place until summer of 2019, we want to be prepared this year. All lecture topics and content will be preserved for any future congress presentations. The individual who created any such documents or technical will be given full credit.

New Club Packet:

There seems to some confusion on how new teams are getting information. There is no real "New Club Packet". Any new clubs that need information can obtain that information on the "How to Start an Acrobatic Program". There is no packet of information at this time to be mailed out.

Protocol:

All protocol information has been forwarded to the Regional Chairs and the Mentor Clubs. Bob Meier has created a new club Google document. This document will be an ongoing collection of new team information. We will forward this new document to the Regional Chairs, Mentor Clubs and Regional G&D Committee members.

Hype Video:

We wanted to see if the National Office can come up with a "hype video" to add to the "How to" page, as well as for teams to use to promote the sport in their gym. There was recently a video on Facebook for an international meet coming up in November. Dylan made mention that Ashley Rosilier and Lisa Esteep might already be working on this. Marcia will reach out to Ashley.

Mentor Clubs:

I have contacted all current Mentor Clubs that are on the list on the website to see if they still want to be a mentor club. I have heard back from all clubs saying yes, except for CCG, Realis, and WCTC. The deadline to get in contact with me was Monday, October 15, 2018. I will reach out to these three teams one more time and see if they are still interested in being a Mentor Club. The committee decided they would have a deadline to reply to me by this Friday, October 19, 2018. The committee also thought that we should have at least 2 Mentor Clubs from each region. Currently right now, Region 4 only has one club. Marcia has reached out to Region 4 Director and we will be adding Columbia Acro and Tumbling Team to the Mentor list.

New Business:

With all the new teams that are interested in joining Acro this year, the ongoing question, of who will pay for the clinics arises again, and again.
