Regional Dates: Marcia requested that each G&D Member send their regional dates for Local Meet Dates, State and Regional Championship dates, Judges and Athlete Clinics.

Spotlight of the Month: Discussion that there is a lack of Spotlight of the Month's due to the long process of background checks on social media for non- team members. We still want to recognize the members of Acrobatic Gymnastics, but with an emphasis on athletes that have made Team USA. We decided to group the spotlights with in the pair/group entities. Marcia is to check with Shelby to make sure that the Team Members listed on the website are correct. The following is who will be working on the articles. **Articles are due by November 15th, 2021.** **Shelby stated that besides Aubrey and Emily on the list everything else is correct.**
