

NATIONAL TECHNICAL COMMITTEE

J.O. Championships, St. Paul Minnesota

July 13, 2009

1. Meeting called to order- 8:45pm

Role Call

Kari Duncan: National Technical Committee Chairman

Bob Meier: National Program Committee Chairman

Selena Peco: National Junior Olympic Committee Chairman – absent

Tonya Case: International Technical Consultant – absent

Kari Duncan- Region 1

Sharon Giamanco- Region 4

Linda Porter- Region 4

Angie Layne- Region 5 - absent

Sharise Beavers- Region 7

Purpose of meeting was informal in nature to review the proposed acrobatics plan and other issues in preparation for fall meeting.

2. Training and Cert program for compulsory judges

Members overall believe this is a good idea. There was concern that maybe this should be used only in regions that are developing and do not have the infrastructure to support our current certification program. Need to determine requirements at fall meeting.

3. Review criteria for score correction

Kari presented issues that occurred in region 1. CJP and/or Meet Referee have the ability to change data entry or mathematical error and post the corrected score outside of the 15 minute petition window. The coach receives a new 15 minute window once the change is made to review the decision.

Motion: Kari Duncan

Second: Courtney Lejuene

Passed

4. Review of proposed acrobatics and removing 11-16 and elite rules from *USA Gymnastics Acrobatic Specifications*

A brief overview of the Acro Program proposal was given by Bob Meier. Members understood concept and supported change.

5. Judges grading process/database

Item was tabled for fall meeting.

Meeting adjourned: 9:30pm

Minutes approved by the Acro Program Committee 08/16/2009

Minutes approved by Steve Penny, President of USA Gymnastics 08/28/2009
