Miscellaneous Items

- Make sure Google Hangouts is up and running for all members of the TC
- Discussion about agenda from Nationals for those members that were not in attendance.
- Newsletter will continue. It is much appreciated and well supported throughout the country.
- Discussion regarding NJC to be offered bi-annually and also work with Congress to create training classes for judges to attend.
- New judges forms to be created and updated.
- Online testing is to be considered
- Need NJC subject matter, ideas, and maybe a pre-test.
- Allowing tariffs and music to be uploaded once a season. How will this work with deadlines? Further discussion to be had.
- Valere Binet has been nominated and selected to be the Judging liaison for the Growth and Development committee.
- Will obtain information from Program Director from 2018 USA Gym Champs (videos, forms, etc.)

Fast Track

Fast Track system will be considered by the TC. Criteria will need to be determined in order to qualify for Fast Track. This is important to continue participation of retired athletes and an opportunity to have judges on panel that have experience within the sport. Heavy consideration of criteria regarding increasing judges that are conflict of interest free will be considered by the TC.
