The Development Committee reviewed the DJ deduction for incorrect tariff sheets and agreed to maintain the current rule: a -0.2 deduction at local meets and a \$20 fine at state, regional, and championships for incorrect sheet.

The Meet Referee will notify the Meet Director when an incorrect tariff sheet fine is issued, and the Meet Director will be responsible for collecting the fine.

Andre made a motion to update the Rules and Policies regarding pair/group level mobility restrictions to be as follows:

Remove:

- i. ~~At local, state, and regional competitions:~~
  - 1. ~~Athlete CANNOT compete on both the international track and development track at the same time.~~
  - 2. ~~On the International Track, an athlete may compete in more than one pair/groups if they are different events (e.g.; WP, MP, MXP, WG, MG).~~
  - 3. ~~No other restrictions apply; however, good judgement should be used in placing athletes at the appropriate levels to create fair competition for all involved.~~

Make the following adjustments:

- ii. At all levels of competition (e.g., local, state, regional, & championship):
  - 1. An athlete may compete in any event (e.g., WP, MP, MXP, WG, MG, ect) only once in any competition.
  - 2. If an athlete is participating in multiple events there can be a maximum of only 2 levels different. If there are 2 levels difference the athlete must switch positions (from base to a top or vice versa). If more than 2 levels difference a petition must be sent.
  - 3. Athletes CANNOT compete on both the international track and development track at the same time.
  - 4. Petitions will not be accepted for athletes to compete twice in the same category in the same position – for example competing twice in Women’s Pair as a base.
