To provide a better progression of skills from Level 6 to Level 8, the Development Committee discussed adding a new **OR** option to the Level 7 Women's Groups, Row 3. The skill is currently listed as a Level 8 Women's Group 3A skill and would also be permitted as an alternative option at Level 7.

Taylor made a Motion:

Allow athletes competing in Level 7 Women's Group to perform the following skill as an alternative "OR" option for box 3A. This skill is currently listed in Level 8 Women's Group 3A.
