NEW LOOK TO MPSF WEBSITE

Through a new partnership agreement with CBS Sports Interactive, the MPSF is pleased to announce its newly upgraded website on www.mpsports.org. Similar to years past, the site continues to feature basic sport-specific front page content such as weekly news releases, statistics, scoreboards and schedules, and sport regulations under the "highlights" section. Newly designed and easy to access features include a calendar with completed and upcoming events along with each sport's standings, updated nightly. Additionally, each MPSF Student-Athlete of the Week will be separately recognized on the front page, linking out to his/her school bio page. Finally, the front page now features an ongoing rotation link to the most recent NCAA Championship teams who compete in the MPSF.
