

2030 National Xcelebration

BID INTEREST INFORMATION

EVENT OVERVIEW

The USA Gymnastics Women's Xcel Program is a program that serves over 70,000 athletes nationally. USA Gymnastics has established its National Xcelebration, a Championship opportunity to include competition for athletes in the Sapphire, Diamond, and Platinum Divisions (Top-3 Divisions of Xcel). The competition will have approximately 1,800 competitors over three (3) days of competition. 2030 will be the fourth year of the competition to be held annually.

A host city can anticipate a delegation size of approximately 5,000-7,000 people, which includes athletes, their families, coaches, judges, and staff. The competition format includes three days of competition with each athlete competing one (1) time.

HOST / PARTNER

Due to the high level of visibility created by this competition, a unique relationship is formed between the host city and USA Gymnastics. A partnership with USA Gymnastics, the city, CVB, sports commission, venue and hotel are necessary for a successful event.
