Should there be a discrepancy between this document and the Rules & Policies or the Compulsory, Optional, or Xcel Code of Points, the official written and published Rules & Policies and Code of Points takes precedence.

1. After presenting to the judges, the gymnasts are allowed ONE "runback" from the board before the vault attempts are counted.
2. Bar settings are not included in the warm-up time, however, if a club or group of athletes choose to block the time, the clock will NOT stop for changes to the bar setting. The setting of the bars is not included in the touch warm-up time.
