The objective of this meeting is to name the 2026-2027 Senior National Team & 2026 World Championships Team. The Senior National Team Selection Procedures & 2026 World Championships Team Selection Procedures will both be used in this meeting.

**Immediately after the meeting was called to order, attendance was taken, and the objective of the meeting was stated, Adam Lomax recused himself from the meeting as he had an athlete in the competition and promptly left the room and did not return for the duration of the meeting. Adam was not present for, and did not participate in, any of the discussions concerning athlete selection.

I. Senior National Team Selection

Step one of the 2026 Senior National Team Selection is to name the five (5) athletes to the 2026 World Championship Team via the World Championships Selection Procedures (Section 5.3).

5.3.a. No athletes met the criteria. Therefore, no athlete is selected via 5.3.a.

5.3.b. The top team scoring scenarios from each of the three data sets did not contain the exact same athletes. Therefore, no teams are named as the World Championships Team via 5.3.b.

5.3.c. The pool of athletes eligible for Team selection via Discretionary Criteria in Section 5.3.c are as follows:

- Cooper Kim
- Danila Leykin
- Kameron Nelson
- Frederick Richard

- Shane Wiskus
- Asher Cohen
- Yul Moldauer
- Nicolas Keubler
- Taylor Burkhart
- Patty Hoopes
- Brandon Dang
- Parker Thackston
- Joshua Karnes
- Crew Bold
- Jun Iwai
- Alexandru Nitache
- Garrett Schooley
- David Shamah

The Senior Selection Committee (SSC) began by looking through all results from US Championships including all-around and event scores and rankings (with and without Bonus), team scenarios (with and without Bonus), Points Program results, and individual D scores. The SSC looked for consistencies as a starting point for discussion.

The 2026 US Championships all-around champion, Frederick Richard, was included in the top five (5) team scoring scenarios in all three data sets from 5.3.b. Both Kameron Nelson and Danila Leykin were included in the top team scoring scenarios across all three data sets from 5.3.b. Across the 15 team scoring scenarios from 5.3.b., Shane Wiskus showed up in nine (9), and Cooper Kim showed up in eight (8).

The SSC, then looked at the U.S. team scores against top team scores from 2026 Asian Championships (China 254.194 & Japan 248.795). The top team scoring scenario without Bonus was a 253.75 and included Cooper, Danila, Kameron, Frederick, and Shane. The top team scoring scenario with Bonus was a 259.276 and replaced Cooper with Patty Hoopes. This team scored a 253.1 without Bonus. The SSC felt that both of these teams are highly competitive with China and Japan.

Frederick, Danila, and Shane were the top three all-around finishers with and without Bonus applied and all three show up in the top team scoring scenarios with and without Bonus applied. They were also three of the top four athletes in final Points Program rankings.

Motion: To name Frederick Richard, Danila Leykin, and Shane Wiskus to the 2026 Worlds Championships Team.

Motion: Kevin Tan

Second: Karl Ziehn

During the discussion phase the group expressed that the selection of all three athletes may eliminate the consideration of others. More discussion is required.

Motion did not pass 2-2 (1 recused vote)

The SSC continued evaluating different teams – looking at possible teams with five all-around athletes to provide the best coverage and depth. However, the team continued to come back to Patty Hoopes as one of our best medal opportunities on Pommel Horse as he was the bronze medalist at 2025 World Championships and gold medalist at the 2026 Pan Am Championships. He is currently performing the second highest difficulty on Pommel Horse in the world and his 14.7 (without Bonus) on Day 1 would have won Asian Championships.

Motion to name Frederick Richard, Danila Leykin, Shane Wiskus, Patty Hoopes, and Kameron Nelson to the 2026 World Championships Team.

Motion: Kevin Tan

Second: Brett McClure

Passed 4-0 (1 recused vote)

Step two of the 2026 Senior National Team Selection process is to name the one (1) traveling replacement athlete to the 2026 World Championships.

The SSC continued to evaluate data. Yul Moldauer showed up within the top three (3) team scoring scenarios with and without Bonus. He is also the next ranked athlete in the Points Program final results, which highlights his ability to provide coverage on every event. Yul has competed for Team USA three times in 2026 capturing Parallel Bar gold at both the DTB competition and Pan Am Championships.

Motion: To name Yul Moldauer as the traveling replacement athlete to the 2026 World Championships.

Motion: Brett McClure

Second: Kevin Tan

Passed 4-0 (1 recused vote)

Step three of the 2026 Senior National Team Selection process is to name up to three (3) non-traveling replacement athletes to the 2026 World Championships.

Cooper Kim was the first choice as he shows up in eight of 15 team scoring scenarios from 5.3.b. He was also fifth in the all-around without Bonus and sixth with Bonus. He is the National Champion on High Bar and both of his final scores from US Championships on that event would have earned a medal at Asian Championships.

The SSC discussed adding another non-traveling replacement athlete, but felt that between Yul and Cooper, all events were covered if there was an injury to a team member.

Motion: To name Cooper Kim as the non-traveling replacement athlete to the 2026 World Championships.

Motion: Brett McClure

Second: Karl Ziehn

Passed 3-1 (1 recused vote)

The 2026 Senior World Championships Team, traveling replacement athlete, and non-traveling replacement athlete have been named, and all have been added to the Senior National Team.

Continuing on with the Senior National Team Selection, the next step is to name any apparatus winner who met or exceeded the highest Difficulty Score on that event across all 2026 World Gymnastics World Cup Finals. The only athlete to achieve that benchmark was Patty Hoopes, who has already been named to the Senior National Team.

All remaining spots on the Senior National Team will be named by Discretionary Criteria or injury petition. The SSC received four completed injury petitions.

The SSC continued to evaluate the US Championships results with intention to name three athletes to the Paris World Challenge Cup in September. The World Team and traveling replacement athlete will not be selected to this event as they will be participating in the Worlds Team Camp. Cooper Kim, as the non-traveling replacement for World Championships, will be named first to the Paris Challenge Cup, and he is already named to the National Team.

The SSC looked at individual event medal opportunities. Brandon Dang finished second on Pommel Horse. His D-score (5.9) would have ranked second among Pommel Horse finalists at Asian Championships and his Day 2 score without Bonus (14.6) would have won Asian Championships. Crew Bold finished third on High Bar posting a 6.2 D-score – the second highest in the competition on High Bar. He also posted a 14.3 on Parallel Bars on Day 2. He will be in medal contention on both of those events in Paris.

Motion: To name Brandon Dang and Crew Bold to the Senior National Team with intention to send them to the Paris World Challenge Cup.

Motion: Brett McClure

Second: Akash Modi

Passed 3-1 (1 recused vote)

Motion: To name Cooper Kim, Brandon Dang, and Crew Bold to the 2026 Paris World Challenge Cup.

Motion: Brett McClure

Second: Karl Ziehn

Passed 4-0 (1 recused vote)

When looking at the makeup of the National Team thus far, we show a lack of depth on Rings. Two injury petitions are from two of our strongest athletes on Rings, including the 2025 US Champion (Asher Hong) & 2025 World Champion (Donnell Whittenburg) on that event. Donnell is also a 2025 World finalist on Parallel Bars. Asher was the 2025 US all-around champion.

Motion: To accept the injury petitions from Asher Hong and Donnell Whittenburg and name them to the Senior National Team.

Motion: Brett McClure

Second: Kevin Tan

Passed 4-0 (1 recused vote)

The SSC looked at the next ranked athletes in the all-around and points program results as well as any individual event winners that had not already been named to the National Team. Josh Karnes was next ranked in all-around (with Bonus) and in Points. He also had the highest overall Difficulty of the entire competition.

Motion: To name Joshua Karnes to the Senior National Team.

Motion: Kevin Tan

Second: Karl Ziehn

Passed 4-0 (1 recused vote)

Taylor Burkhart was the next ranked athlete in the all-around with and without Bonus. He was also a member of the 2026 Pan Am Championships Team.

Motion: To name Taylor Burkhart to the Senior National Team.

Motion: Brett McClure

Second: Akash Modi

Passed 4-0 (1 recused vote)

Asher Cohen was the only event winner who had not already been named to the National Team. He adds depth on Rings as his 5.5 D-score was the highest on that event at US Championships and would have ranked second highest in Finals at the Asian Championships.

Motion: To name Asher Cohen to the Senior National Team

Motion: Brett McClure

Second: Akash Modi

Passed 4-0 (1 recused)

David Shamah was the next ranked athlete in the all-around with and without Bonus.

Motion: To name David Shamah to the Senior National Team.

Motion: Kevin Tan

Second: Brett McClure

Passed 3-1 (1 recused)
