Summary of the Meeting

The selection committee submitted COI disclosures and the meeting began with the women's trampoline athlete. Nuno as the Trampoline National Team Coordinator gave his recommendation for the female spot. He noted that the selection procedures are straight forward and will be available for questions should the committee have them, then left the room.

Based on scores (listed below), Jessica Stevens was identified as the highest ranked female athlete. Nick as the committee chair went down the list of requirements outlined in the selection procedures, and it was confirmed that Jessica met the requirements to be selected. Nick motioned to

nominate Jessica Stevens as the USA Female Trampoline Olympian. Michael seconded the motion, and it was passed unanimously.

It was then identified based on scores, that Nicole Ahsinger was the second highest ranked female. Nick as the committee chair went down the list of requirements outlined in the selection procedures, and it was confirmed that Nicole met the requirements to be selected as the traveling alternate. Patti motioned to nominate Nicole Ahsinger as the USA Female Trampoline Traveling replacement athlete. Nick seconded the motion and it was passed unanimously.

Nick left the room due to conflict of interested and Nuno rejoined the meeting for his recommendations for the male athletes as the National Team Coordinator. Nuno advised that the selection procedures are straight forward and was available for questions before leaving the room.

Based on scores, Aliaksei Shostak was identified as the highest ranked male athlete. Patti as the chair of the vote went down the list of requirements outlined in the selection procedures, and it was confirmed that Aliaksei met the requirements to be selected. Michael motioned to Aliaksei Shostak as the USA Male Trampoline Olympian. Ky seconded the motion, and it was passed unanimously.

It was then identified based on scores, that Ruben Padilla was the second highest ranked male. Patti as the chair of the vote went down the list of requirements outlined in the selection procedures, and it was confirmed that Ruben met the requirements to be selected as the traveling alternate. Ky motioned to nominate Ruben Padilla as the USA Male Trampoline Traveling replacement athlete. Michael seconded the motion and it was passed unanimously.

The committee then looked to name the coaches for the Olympians. It was confirmed that there are two coaching spots for the team. The committee read the selection document as the requirements for being selected as a coach. It was then discussed that Aliaksei's personal coach is a member of the FIG Technical Committee and ineligible to be selected as his coach. After receiving athlete feedback, it was determined that Aliaksei ranked Nuno Merino first and Jessica ranked Konstantin Guilsashvili first. The committee reviewed whether these two coaches met the requirements for selection. Michael motioned that the athletes personal preferences of Nuno Merino and Konstantin Guilsashvili should be named as the Olympic Coaches. Patti seconded the motion and it was passed unanimously.

Next the committee looked to name the one Traveling Replacement Athlete Coach. The committee looked for the feedback of the two Traveling Replacement Athletes. Sven Nielsen was listed on Ruben's list as first and Nicole's list as third. Nicole's second option was listed as Nuno Merino who will already be at the games. Her personal coach is on the FIG Technical Committee and is ineligible to coach at the Olympics. Sven is Ruben's personal coach. Due to this reasoning, Patti motioned to have Sven Nielsen be selected as the Traveling Replacement Athlete's Coach. Ky seconded the motion and it passed unanimously.
