3. Process for selection
  - a. **Criterion 1:** Up to three (3) athletes with the highest **Combined Score** at the conclusion of the three (3) Selection Events (III.B.1.) will be selected for the 2026 JRWC team, provided they have met or exceeded the JRWC Preferential Score at least once in the selection process.

**Criterion 2:** In addition to athletes who earn a spot on the 2026 JRWC Team per Criterion 1 or in the case that zero (0) athletes earn a spot on the 2026 JRWC team per Criterion 1, the Selection Committees, using the **Discretionary Selection Criteria** in IV., may add athletes (up to the maximum team size of four (4) plus one (1) non-traveling alternate) from among:

- Athletes with the next highest Combined Score, provided they have met or exceeded the JRWC Minimum Score at least once in the selection process.
    - Where there is a tie in Combined Score, the athlete with the higher Qualification Score will be ranked higher.
    - Where there is a tie in both Combined Score and Qualification Score, discretionary selection criteria will apply (Section IV.).
  - Petitioners, based on having a high potential to meet the Overall Goal per II.A.1, using the criteria outlined in III.D.

The pairs will be named by the Trampoline Junior National Team Coordinator in collaboration with the 2026 JRWC coaches, subject to the approval of the Selection Committee (see IV.B.2 for criteria).

#### D. Petition Procedures

1. Notwithstanding the process identified in the preceding sections of these Selection Procedures, USA Gymnastics recognizes that extraordinary and unforeseen circumstances may occur which would cause an athlete otherwise deserving of a spot on the 2026 JRWC Team based on their previous competition results to be unable to participate in one or more steps including the selection process.
2. Athletes may petition to USA Gymnastics for the right to enter the 2026 USA Gymnastics Championships and/or petition for selection directly onto the 2026 JRWC Team.
  - a. Procedures for petitioning into the 2026 USA Gymnastics Championships are listed in the [T&T Rules & Policies](#) (Section VI).
  - b. Petitions to the 2026 JRWC Team will be considered for approval by the Selection Committee and must be received in writing by the Trampoline & Tumbling Program Director as soon as practical after the athlete becomes aware of their inability to participate in the applicable competition, and no later than the conclusion of competition at the 2026 USA Gymnastics Championships (being the completion of the final routine in that division's competition).
  - c. The petition must state the specific injury, illness or extenuating circumstances which prohibited the athlete from participating in the competitive process. In the case of a petition based upon injury or illness, the petition must be accompanied by an examining physician's statement. The nature and extent of that injury or illness must be confirmed by an examining physician and verified by USA Gymnastics Medical Staff.
  - d. Only athletes who meet at the following criteria may submit a petition:
    - Finalist at the 2025 Junior World Championships or 13-14 Medalist at 2025 World Age Group Competition in the same discipline.
  - e. In considering the petition, the Selection Committee will utilize the discretionary criteria outlined in Section IV.
  - f. Petitions will be evaluated and resolved by the time of the official nomination deadline (see Section VIII).
3. Athletes may petition to be exempt from the mandatory training camp (see Section XII) prior to the 2026 JRWC.
  - a. Petitions for exemption to the 2026 JRWC Camp will be considered for approval by the Selection Committee and must be received in writing by the Trampoline & Tumbling

Program Manager as soon as practical after the athlete becomes aware of their inability to participate in the applicable camp.

- b. The petition must state the specific injury, illness or extenuating circumstances which prohibited the athlete from participating. In the case of a petition based upon injury or illness, the petition must be accompanied by an examining physician’s statement. The nature and extent of that injury or illness is subject to verification by USA Gymnastics Medical Staff.
- c. Petitions will be evaluated and resolved by the start of the mandatory training camp.

**IV. DISCRETIONARY SELECTION**

**A. Rationale for utilizing discretionary selection**

- 1. While Trampoline & Tumbling is a subjectively judged sport, these procedures primarily rely on objective criteria for selecting athletes to the 2026 JRWC Team through rankings and results at the Selection Events listed in III.B.1. However, there are two (2) scenarios where discretionary selection criteria will be evaluated:
  - a. Breaking a tie in Combined Score during any of the steps outlined in Section III.C.3.
  - b. Reviewing and deciding between any submitted petitions and the next ranked athlete (refer to Section III.D).

**B. Definition of the discretionary criteria to be used**

- 1. Criteria used by the Selection Committees (not listed in order of importance):
  - 2025-2026 international performance assigned by USA Gymnastics, including score(s) and caliber of the event(s) (strength of field).
  - 2025-2026 domestic performance at the 2025 & 2026 Winter Classic, 2025 & 2026 Elite Challenge and 2025 & 2026 USA Gymnastics Championships, including score(s), and caliber of the event(s) (strength of field), with more recent events considered more favorably.
  - Any physical, training or performance factor, which might inhibit peak performance at the Junior World Championships.
  - Demonstrated professional attitude, compliance with responsibility manual, and ability to positively contribute to the team dynamic.
- 2. Criteria used for selection of synchronized trampoline pairs includes:
  - Existing pair with prior successful results.
  - Identification of a new pairing with possible medal potential.
  - Athlete preferences.

**C. Name of the committee that will be responsible for making discretionary selections (with the exception of synchronized trampoline pairs), or other decisions/recommendations directly impacting athletes in the selection process, along with a complete list of the members’ titles**

1. The Selection Committees (SCs) are three-member voting bodies:

<b>Trampoline</b>	<b>Tumbling</b>	<b>Double Mini</b>
Selection Committees Chair	Selection Committees Chair	Selection Committees Chair
Elite Committees Trampoline Representative	Elite Committees Tumbling Representative	Elite Committees Double Mini Representative
Athlete Representative *	Athlete Representative *	Athlete Representative *

\* Appointed by the USA Gymnastics Athletes’ Council.

- The PC Chair, the Program Director, and the National or Junior National Coordinator of the applicable discipline and others as needed will be invited to attend the selection meeting as guests.
2. Conflict of Interest
    - a. All members of the Selection Committee and invited guests must comply with the USA Gymnastics Conflict of Interest Policy, to include completing and submitting a disclosure form for review by the USA Gymnastics Ethics & Grievance Committee prior to convening the committee.
    - b. Any member of the Selection Committee or invited guest who has an actual, possible, or perceived conflict of interest must disclose it to the USA Gymnastics Ethics & Grievance Committee prior to the start of the selection process and/or recuse him/herself from the review process and/or voting. If a conflict exists, the USA Gymnastics Ethics & Grievance Committee shall review the conflict and determine the committee member's level of involvement (e.g., whether that committee member must recuse him/herself from participating in discussions and/or voting). For example, if it is determined that a committee member must recuse him/herself from voting, the USA Gymnastics Ethics & Grievance Committee may still determine that a committee member who has relevant and necessary information with respect to athlete performance may, if requested by the Selection Committee, provide such information to the committee so long as such information is provided in a fair and unbiased manner and so long as the committee member with the conflict of interest does not vote toward the final decision. The committee member must not otherwise influence other members of the committee in the selection process.
    - c. Additionally, any person (including any potentially impacted athlete or coach of a potentially impacted athlete) with a good faith belief that a committee member has a conflict of interest may report the alleged conflict of interest to the USA Gymnastics Ethics & Grievance Committee. Reports may be made anonymously. No committee member shall retaliate in any way against a person who, in good faith, reports an alleged conflict of interest.
    - d. Any recused individual shall be replaced in accordance with USA Gymnastics' [Selection Committee charter](#).
  3. The SCs may request any information from any person or entity that they reasonably believe will be helpful in the decision-making process.
