Nataliya Koztiskaya: IEC Chair
Elena Savenkova: Judge Representative
Rebecca Sereda: Athlete Representative

Based on results of the L9 Classic as well as the range of scores in various age groups, the athlete selection committee has established the following criteria for an early May international assignment, for two international competitions held in Serbia and Poland on the same weekend:

Top 3 gymnasts born 2009
Top 3 gymnasts born 2008
Top 6 gymnasts born 2007
Top 3 gymnasts born 2006

In order to balance the number of athletes and age brackets available in each competition, 2009 and 2007 have been assigned to Serbia. 2006 and 2008 will go to Poland.

Based on the result of the National Team Invitational, Alexandria Kautzman was approved to compete in the Deleanu Cup in Romania.
