Athlete Representative: Natalie McGiffert

The ASC was presented the language newly adopted by the Rhythmic Program Committee for the Rules and Policies regarding National Team funding/ranking as well as a petition from 2024 qualified Olympian Evita Griskenas:

If a current Junior or Senior Individual National Team member is unable to compete at the USA Gymnastics Championships due to illness, injury, international preparation or unforeseen circumstance, verified by the Vice President of Program, and the gymnast in question has been either a JR or SR World Finalist or a named Youth or SR Olympian in the current Olympic cycle, she may petition the Athlete Selection Committee for one of the funded, ranked senior places on the SR Individual National Team. Petitions must be submitted to the Vice President of Rhythmic as soon as the athlete becomes aware of her inability to compete at USA Gymnastics Championships but no later than the start of the elite sessions of the USA Gymnastics Championships. Petitions will be considered in the event of an injury, illness, family death, or other extenuating circumstances.

a. The petition must include the date and nature of the injury and/or illness, family death, or other extenuating circumstance.

b. In the case of a petition based upon injury or illness, the petition must be accompanied by an examining physician's statement. The nature and extent of that injury or illness is subject to verification by USA Gymnastics medical staff

The ASC review the Rules and the petition and has accepted the petition:
