

February 25, 2025

Athlete Selection Committee RGI

Natalya Kozitskiy Coaches' Representative

Elena Savenkova Judges' Representative

Camilla Feeley Athlete Representative

Caroline Hunt VP of Rhythmic Program (non-voting)

The purpose of the international events is the country's preparation towards the year's main goals, which were reviewed and discussed by the Committee and include maximizing performance for the 2025 JR Pan American Games and JR/SR World Championships as well as the JR/SR Pan American Championships.

At the Challenge and Invitational, the following criteria is used annually to make the assignments, evaluated holistically:

- Readiness to compete—current physical preparedness of each gymnast
- Results from the 2025 Challenge
- The overall objective of the competitive season and the ability of each athlete to meet those future objectives
- Previous proven international and national results, when determinative

Gymnasts in the Invitational with results commensurate to officially assigned National Team members may be assigned per the criteria.
