The RGI ASC met to make the nominations for the Aeon Cup competition (October 2026). This event is a team competition for 2 SR and 1 JR.

To maximize the Team's strength, the committee nominates the two World Championships seniors, Rin Keys and Megan Chu, and JR Anna Filipp, after a consideration of the international and national AA and Event Finals results in the two JR events closest to the Aeon Cup: the JR Pan American Championships and USA Gymnastics Championships, both in June 2026.

Recognizing that the Aeon Cup takes place in the "off" season and that the two Seniors may need this time to rest and recover from the World Championships, the committee discussed naming Bella Oleynik JR and Natalie De La Rosa SR as replacement athletes.

Motion to accept the Team of Keys, Chu, Filipp and alternate Oleynik-JR and De La Rosa-

SR: Olga

Second: Camilla
