### Elite Committee Meeting Agenda

#### 1. Welcome

All attendees were asked to disclose any actual or potential conflicts of interest based on a review of the agenda.

- It was agreed that all committee members have conflicts of interest as a result of being athletes, coaches, judges and/or club owners and/or receiving compensation at times from the T&T program. Except in the case of items bulleted below, the individuals and committee share the view that members are able to act impartially and for the benefit of the program, and recusal is not necessitated for any other items.
- No other specific Cols were declared.

#### 2. Elite Mobility

The Elite Mobility system was discussed with the positive and negatives. Topics were discussed to make the process easier for all involved but overall it was agreed that the Elite Mobility system is in a good place with increasing the number of elites. The committee reviewed data to post to the community on the subject.

#### 3. FIG Code of Points Changes

The new FIG Code of Points was discussed. Discussion was had on the various changes and how it would impact changing the USAG Trampoline and Tumbling Code of Points. The changes that were discussed were the new starting order, Mixed Synchro, Trampoline 17-21 age group, apparel, electronic comp cards, difficulty changes, warm up penalties / start of routine, double mini maximum, F1 and F2 format. After discussion, It is the recommendation of the Elite Committee to incorporate the following in the 2025 program.

- New Trampoline difficulty and bonuses to match the FIG
- Scoring Double Mini out of 20.0 for a completed routine and 16.0 for interrupted routines
- Allow elite tumbling competitors to perform the new Y elements and award the new FIG bonus.

- Include mixed synchro in the USA program (qualification only for all levels)
- Include Winter Classic as a Qualification event for elites.

**4. Petitions to USA Gym Champs**

The committee reviewed the petition requirements and discussed possible changes to these requirements. It was decided that the EC would not recommend any changes to the petition requirements for elites to USA Gymnastics Championships but would recommend that Winter Classic be added as a qualification event for athletes in the elite program.
