Elite Committees Meeting Agenda

1. Welcome

All attendees were asked to disclose any actual or potential conflicts of interest based on a review of the agenda.

- It was agreed that all committee members have conflicts of interest as a result of being athletes, coaches, judges and/or club owners and/or receiving compensation at times from the T&T program. Except in the case of any items bulleted below, the individuals and committee share the view that members are able to act impartially and for the benefit of the program, and recusal is not necessitated for any other items.

2. Rule Clarification – USA Gymnastics Code of Points for US Elite Tumbling

The Tumbling EC discussed several points in the Elite Tumbling Code of Points, specifically regarding qualification / finals references for Youth and Junior Elite finals that created some confusion. After the discussion, it was recommended to the Program Committee (PC) that the Code be modified to clarify finals routine minimum requirements.

3. Elite Tumbling Bonuses – USA Gymnastics Code of Points for US Elite Tumbling

With the upcoming changes to the FIG Code of Points bonus structure, the Tumbling EC discussed the current system of difficulty bonuses in the USAG Elite Code of Points. It was concluded that, while still effective in keeping the United States competitive, the current system would benefit from the following adjustments:

- Allow for a maximum of 3 back fulls in a single routine.
- Retain the 2.0 Bonus for JE men and women, YE men and women, INT women, and SR women.
- Add a 1.0 Bonus for Senior and Intermediate Elite Men.
