### Program Committee Meeting Agenda

#### 1. Welcome

All attendees were asked to disclose any actual or potential conflicts of interest based on a review of the agenda.

- Chelsea, Nuno, Alex and Nicole recused and were not included in the e-mail discussion.

#### 2. National Team Selection Procedures

An inconsistency has been picked up in the currently published National Team selection procedures. The reference to Combined Score has been erroneously omitted from the published version, although it has been referenced in all meetings and webinars and was intended to feature, in order to be consistent with international selection procedures which use a "best 2 of 3" scenario for counting scores.

The Selection Committee recommended to the PC that the procedures be updated to include reference to Combined Score, as intended and communicated verbally.

#### **Motion to amend the National Team selection procedures to include reference to Combined Score.**

- **Motion: Patti**
- **Second: Deanna**
- **Vote: unanimous**

Jacqui will ensure a highlighted version is published on the USAG website with a member update, as well as sent directly to all NT athletes as well as all those who have participated in the first two events.

Meeting adjourned.
