

# **T & T Program Committee**

Electronic vote – March 2, 2004

## **I. Funding for Elite Athletes**

**Proposal to fund elite athletes:**

**Fund Jennifer Parilla and Chris Estrada as 1<sup>st</sup> ranked athletes.**

**Fund Alaina Hebert and David Ford as 2<sup>nd</sup> ranked athletes.**

**Fund Michael Divine and Ryan Weston with funds designated for the 3<sup>rd</sup> and 4<sup>th</sup> athlete. Funding for the 3<sup>rd</sup> and 4<sup>th</sup> women will be delayed until after the Elite Challenge.**

Proposal: Megan Gearhart

APPROVED: Unanimously

## **II. Qualification to the 2004 Indo-Pacific Games**

**Motion to name athletes to the 2005 Indo-Pacific Games Team:**

**Athletes who competed as Junior or Senior Elite at 2003 US**

**Championships and/or the 2004 Winter Classic should be considered.**

**Senior Elites who are not age-eligible internationally would be given 1<sup>st</sup> option for the age-group competition. Junior Elites would then fill out the age-groups. We are allowed 6 athletes in each age-group per discipline per gender, so if more than 6 want to go in any age-group, the rankings would be used to determine who goes. If there are still too many athletes, the Program Committee would decide based on results at 2003 US Championships and beyond. The Senior Elites athletes will be invited based on rankings. The invitations would be sent based on rankings after the Elite Challenge.**
