## 2. 2024 Coimbra World Cup – Trampoline Selection

With the official announcement of the 2024 Paris Olympic Games trampoline spots, it was revealed that the USA has secured two competing spots (one per gender) and two alternate spots (one per gender). Given the allocation of only two Olympic competing spots (one per gender) and two alternates (one per gender) and the desire to send a full trampoline team to the Coimbra World Cup. The current international assignment document did not designate how to select the remaining four trampoline spots (2 per gender)

Nuno as Senior Trampoline National Team Coordinator discussed the goal of the Coimbra Trampoline team and then left the meeting at 9:49 pm
