Technical Committee Meeting Agenda

1. Welcome

All attendees were asked to disclose any actual or potential conflicts of interest based on a review of the agenda.

- It was agreed that all committee members have conflicts of interest as a result of being athletes, coaches, judges and/or club owners and/or receiving compensation at times from the T&T program. Except in the case of items detailed below, the individuals and committee share the view that members are able to act impartially and for the benefit of the program, and recusal is not necessitated for any other items.
- Deanna and Billie indicated a Col with item 2 and recused. Dante and Laurie voted in their places.

2. 2023 Judging Assignments

The committee reviewed the assignment rotation and judge availability to assign judges to 2023 international events.

It was noted that:

- USA has had confirmation that the Scalabis Cup judges will be released early from that event to travel to Coimbra for the World Cup. We have offered for the TUM and DMT judges to also be available for the Santarem World Cup, however this is not confirmed.
- For budgetary reasons, the same judge should be assigned to the three Portuguese events (Santarem World Cup / Scalabis Cup / Coimbra World Cup).
- For budgetary reasons, the same judge should be assigned to the two Birmingham events (World Championships / World Age Group Competitions).

Motion to nominate the following judges for 2023 international events (new assignments in bold):
