

The 2008 JumpStart National Team was named following National Testing in Broken Arrow, Oklahoma. The team consists of twenty-one girls and nine boys in trampoline, with twenty-one girls and eight boys in tumbling. National Team members will participate in a camp at American Powerhouse in Sacramento, March 6-9. The camp, held in conjunction with the Pre-Elite Training Squad Camp, will feature some of the best elite coaches in the country.

USA Gymnastics would like to thank Mitchell and Priscilla Godi and the staff at T3 for the use of their gym and their help with National Testing. Also, the following people served as test administrators and put in many hours of work to see that National Testing ran smoothly: Crissy LaFollette, Bev Lloyd, Mig O'Hara, Sherry Mulkey, Megan Gearhart, Shaun Kempton, Susan Jacobson, Chauncy Haydon and Cheri Billiot. Thank you to Jeremy Waldrige for writing the computer program used for testing.
