 - i.** A gymnast must compete in the State Championships based in the state in which his/her club is located. He/she may, based on special circumstances, petition the Program Director for permission to compete in the State Championships in which he/she lives.
 - ii.** The gymnast must compete in the Regional Championships based on the State Championships in which he/she competed. He/she may, under special circumstances, petition the Program Director for permission to compete in the Regional Championships in which he/she lives.

D. Foreign Athletes

- 1.** USA Gymnastics recognizes the positive benefits of having foreign athletes who reside in the United States participate in its sanctioned competitive events. However, USA Gymnastics has an obligation to observe all rules and regulations regarding the participation of foreign athletes as set forth by the International Gymnastics Federation (FIG).
 - a.** FIG regulations require that all foreign athletes (anyone without United States Citizenship), regardless of age or competition level, must gain permission from the gymnastics federation of their country of citizenship and from USA Gymnastics before they may compete in any sanctioned USAG event.
 - b.** To fulfill the FIG requirements foreign athletes must acquire written approval from the gymnastics federation from their respective native country (for which he/she holds a passport) before he/she may compete in competitions held in the United States. If a gymnast who is not a U.S. citizen competes without the written permission from his/her national federation, it is a violation of the International Gymnastics Federation (FIG) regulations. Getting approval from that federation is the responsibility of the athlete, and this rule applies to all levels of competition in all five programs (men's and women's artistic gymnastics, rhythmic gymnastics, trampoline and tumbling, and acrobatic gymnastics). To make it easier, a draft letter of approval from the appropriate national gymnastics federation must be provided to the gymnast's club.
 - c.** Non-citizen USAG Athlete members who are residents, living and training in this country are allowed to compete/participate in USAG sanctioned events with full privilege and receive awards up to and including selection events, Elite Challenge and USA Gymnastics Championships (Development Program only).
 - d.** Only athletes who are eligible to become members of the Junior or Senior National Team may participate in the following events:

 - f.** Non-citizen resident and foreign athletes may not become members of the Junior National Team or Senior National Team.

E. Foreign Participants

The US Olympic and Paralympic Committee recognizes USA Gymnastics as the governing body for the sport of gymnastics in the United States. As such, USA Gymnastics has authority over all gymnastics competitions, exhibitions, and training exchanges hosted in the United States.

USA Gymnastics is a member of the Federation of International Gymnastics (FIG), the international governing body for gymnastics. As such, USA Gymnastics and all its members are subject to the FIG rules and regulations governing gymnastics exchanges between countries. All exchanges involving foreign athletes are under the jurisdiction of the FIG and the host Federation.

With the increased opportunities for participation in events involving foreign athletes, both in the United States and abroad, USA Gymnastics has the responsibility to inform its Competitive Coaches, Judges, and Meet Director members of the FIG regulations governing these activities. The FIG and its member federations have jurisdiction over international events (events involving more than one country's athletes). Violations of the FIG regulations can result in the restrictions of the member federation and/or its athletes. While USA Gymnastics realizes the cultural enrichment that these types of events provide to our members, strict compliance to the FIG regulations must be followed.

The USAG Program Director must be notified of any competitions in the U.S. involving athletes, coaches, and/or judges who are non-citizens and reside in and/or represent a foreign country.
