1. The development of the State budget and funding of the State shall be determined by the State Chair and the State Committee. It is the intention of USAG to provide suggestions for setting up a state budget and for the funding of the state, but the State Committee should formulate a plan appropriate to the needs of that region.
2. Expenses of the State may include but shall not be limited to:
  - a. State Championships
  - b. State office expenses
  - c. State website
  - d. Athlete/coach/judge funding for T&T related expenses
  - e. Equipment (e.g. scoring computers/software/time of flight)
3. Revenues of the State may include but shall not be limited to the following:
  - a. Competition entry scholarship fee (e.g. \$1.00 per athlete per competition)
  - b. Team membership fees
  - c. State educational and training clinics
  - d. State Championships

**T. Additional Policies to be developed by the State Committee:**

1. Policies for hosting State Championships.
2. Awards policies (may include which awards should be given at State Championships and awards such as Coach of the Year).
3. Entry fees for State Championship must be within the written guidelines established by USA Gymnastics.
