Development Committee Meeting - Agenda

Notes:

The qualification and mobility scores are proposed recommendations, unanimously approved by the Development Committee and submitted for Program Committee review on August 10, 2026. Scores are subject to change until Program Committee approval is finalized.

Due to the current vacancy in the Tumbling Representative position, the committee agreed that Patrick Lyell, who had recently been elected to begin his term on August 1, would fulfill that role for this meeting and present the recommended NQS and mobility score requirements.

1. Welcome

All attendees were asked to disclose any actual or potential conflicts of interest based on a review of the agenda.

- It was agreed that all committee members have conflicts of interest as a result of being athletes, coaches, judges, and/or club owners and/or receiving compensation at times from the T&T program. Except in the case of any items noted below, the individuals and committee share the view that members are able to act impartially and for the benefit of the program, and recusal is not necessitated for any other items.

2. Tumbling Qualification and Mobility Scores

The committee reviewed and proposed updated National Qualification Scores (NQS) for Development Tumbling, including a revised instability deduction (0.2 to 0.4) to reflect realistic landing expectations as well as proposing separate scoring benchmarks stratified by age group for Levels 8-10. Final approved scores will be posted in the updated R&P.

Motion: Recommend the proposed tumbling NQS for Development Tumbling to the Program Committee.

Motion: Patrick

Second: Nuno

Vote: Unanimous

Mobility scores were also reviewed and remain higher than qualification scores at every level, consistent with existing standards. Final approved scores will be posted in the updated R&P.

Motion: Recommend the proposed tumbling Mobility Scores for Development Tumbling to the Program Committee.

**Motion: Nuno
Second: Patrick
Vote: Unanimous**

3. Double-Mini Qualification and Mobility Scores

The committee reviewed and proposed updated NQS for developmental Double-Mini including proposing separate scoring benchmarks stratified by age group for Levels 8-10. Final approved scores will be posted in the updated R&P.

Motion: Recommend the proposed NQS for Development Double-Mini Trampoline to the Program Committee.

**Motion: Juwan
Second: Kenny
