Selection Committees Meeting Agenda

1. Welcome

All attendees were asked to disclose any actual or potential conflicts of interest based on a review of the agenda.

- It was agreed that all committee members have conflicts of interest as a result of being athletes, coaches, judges and/or club owners and/or receiving compensation at times from the T&T program. Except in the case of any items bulleted below, the individuals and committee share the view that members are able to act impartially and for the benefit of the program, and recusal is not necessitated for any other items.
- All committee members have a potential conflict of interest as personal coaches in the USA Gymnastics elite program. However, since scores and placements are unknown ahead of the competitive season, decisions made during drafting are considered impartial and non-conflicted.
