A. Recommendation regarding National Team determination from 2021 U.S. Championships:
   1. The top six (6) Senior All-Around finishers, in rank order, after day two (2) of competition will be named to the U.S. National Team. The Athlete Selection Committee may select additional athletes utilizing discretionary criteria listed below based on team needs.
   2. The top ten (10) Junior All-Around finishers, in rank order, after day two (2) of the competition will be named to the U.S. National Team. The athlete must achieve a minimum combined day one (1) and day two (2) score of 102.00 in the All-Around. The Athlete Selection Committee may select additional athletes utilizing discretionary criteria listed below based on team needs.

Discretionary Criteria
The Athlete Selection Committee considered the following factors (in no particular order) when selecting National Team Members.
   1. Results: Competition results from the 2021 U.S. Championships were considered when discussing selection.
   2. Start values (D Score) on each apparatus of all potential team members
   3. Execution (E Score) on each apparatus of all potential team members
   4. Consistency (percentage of hit routines) shown by the gymnast
      • A hit routine is defined as a routine that does not include a large deduction or greater (as defined in the FIG Code of Points) on any single skill within the routine.
   5. World Class presentation – the strength, endurance, technical execution standard and artistic components commensurate with international competition presentation.
   6. Physical capability to fulfill the training plan as directed by the High-Performance Director.
   7. Demonstrated professional attitude and ability to positively contribute to the team dynamic.
   8. Any physical, training or performance factor, which might inhibit peak performance.
