D. Recommendation, **effective September 1, 2025**, to remove the following from the 2025-2026 Hopes Qualification Chart.

If a Hopes gymnast qualifies to Hopes Championships and achieves the following:

1. Scores the Hopes Championships qualification score at Hopes Championships,
2. Passes Elite Compulsory with the international score, plus one point.

She may use that compulsory score for the following Elite Season if she attempts to qualify as an International Elite. If the gymnast repeats Hopes or does not compete in the following Elite Season, she must achieve the required compulsory qualification score again.

EXAMPLE: Qualification Score = 35.00

- Feb 2024 - gymnast achieves 36.00 or higher compulsory score
- July 2024 - gymnast competes at Hopes Championships and scores 45.00 or higher optional score.
- January 2025 - gymnast is not required to repeat Elite compulsory if she attempts to qualify as an International Elite.

January 2025 - must repeat and achieve the compulsory qualification score if competes in the Hopes Division.
