### **Selection of Men for the World Cup Teams for Amsterdam and Montpellier**

The committee was excited to see so many submissions. All ten applicants were considered and discussed and consisted of Johnny Brown, Roland Hannigan, Ruben

Arellano, Aiden Rudolph, Jacob Jeweler, Nick Amblo, Matthew Hadley, Mack Gallart, Shea Rudolph and George Munro.

The committee felt Ruben and Nick both show great promise but are not yet meeting international competition standards.

Mack has the skill set and is getting better with every competition and the committee feels he will be ready for international competition in the future.

Will noted that the competition in Montpelier may be an easier fit for some of the more inexperienced competitors as the event has some history so logistics may be easier.

Motion : The Amsterdam Men's World Cup team will consist of:

Shea Rudolph – partially funded

Adien Rudolph -partially funded

George Munro – self-funded

Roland Hannigan – self funded

Jacob Jeweler – non-traveling reserve

Motion made by Will, seconded by Alex, all in favor, motion passes
