

SAFETY & RESPONSE POLICY

MAAPP

December 15, 2021

Dear USA Gymnastics Member,

The U.S. Center for SafeSport *2022 Minor Athlete Abuse Prevention Policies* (MAAPP) has been released and will be effective January 1, 2022. A copy of the policy can be found [here](#).

The U.S. Center for SafeSport and USA Gymnastics are committed to building a sport community where Participants can work and learn together in an atmosphere free of emotional, physical, and sexual misconduct.

The MAAPP is a collection of proactive prevention and training policies for the U.S. Olympic and Paralympic Movement. It has three primary components:

1. An Education & Training Policy that requires training for certain Adult Participants within the Olympic & Paralympic Movement;
2. Required Prevention Policies, focused on limiting one-on-one interactions between Adult Participants and Minor Athletes, that Organizations within the Olympic & Paralympic Movement must implement to prevent abuse;
3. Recommended Prevention Policies.

To better understand the MAAPP, the 2022 Minor Athlete Abuse Prevention Policies Manual found [here](#) provides guidance.

The MAAPP includes proactive prevention policies for organizations and individuals, while the SafeSport Code contains misconduct policies for individuals. We encourage you to become familiar with the SafeSport Code found [here](#) and to reach out if you have questions or concerns at usagymsafesport@usagym.org.
